1. Name	<input type="text"/>	Relationship	<input type="text"/>	Signature	_____
2. Name	<input type="text"/>	Relationship	<input type="text"/>	Signature	_____

**GIVE SOMEONEA BRIGHTER TOMORROW**

- \* Blindness causes a social and economic burden to the individual, the community and the nation.
- \* Corneal blindness can be treated by replacing the damaged cornea by a healthy donated human corneal tissue.
- \* There is a great shortage of donated eyes in our country.
- \* One donation can help two people to see.
- \* Age or poor vision does not affect eye donation. Even if you have had a cataract operation or any other eye surgery, you may donate your eyes.
- \* The eyes must be removed within 6 hours of death. Kindly inform the nearest eye bank immediately. The eye bank team will rush over and the simple bloodless procedure will be over in less than 10-15min. There is no disfigurement of the face of the deceased. 10ml of blood will be collected for tests.
- \* Eyes can be donated even if the deceased had not formally pledged his/her eyes in his/her lifetime.
- \* After removal, the eyes are analysed, preserved and then the cornea is transplanted within 96 hours.
- \* Eye donation should be discussed within the family. Your family members must take responsibility for fulfilling your wish.
- \* Fill in the declaration card overleaf and send it to the Venu Charitable Society together with a recent 1" x 1" photo. It is preferable that all members of the family pledge together but an individual can also pledge by himself/herself. Two witnesses, including a near relative (parents in case of a minor pledger) must sign the form. We will register you and notify you of the name, address and telephone number of the eye bank nearest to you. Within 6 weeks you will receive a donor identity card from us.
- \* Once registered, we offer you a 10% discount on all professional services at Venu Eye Institute & Research Centre for the rest of your life.
- \* We would welcome your support as an individual or an organisation in spreading public awareness about eye donation.
- \* Financial contributions made to Venu Charitable Society are eligible for tax relief under section 80(G) of the Income Tax act, 1961 and 35 AC. We solicit your generous support.
